

For At-large Director

Jody Schurrman

Statement: I am willing to put my name forward for member-at-large on the board of Burnaby Lake Rowing Club. I do not have any conflict of interest that I'm aware of. In my current tenure as member-at-large and athlete at Burnaby Lake, I have attended board meetings and attempted to represent as best as possible my fellow BLRC members. I have supported and helped host regattas, including 2016's Midsummer Madness Regatta as Volunteer Coordinator and the Small Boat Invitational Regatta as a Regatta Chair and Volunteer Coordinator. In 2015 I hosted BLRC's Christmas Break Breakfast at the lake, and I look forward to hosting this event again. I believe in this club and the members that make it successful, and I look forward to contributing as a member of the board if elected.
