

For Treasurer

Frances Crowley

Statement: I am applying for the position of Treasurer for Burnaby Lake Rowing Club. I was appointed interim Treasurer when Mike Bagshawe resigned and since then have set up the Club books using Quick Books Pro 2017. Working with Peter Klinkow and Ian Gordon (and time consuming data input with Larry) I recreated the 2015 – 2016 year in the Quick Books format. I am now ready to continue in the role of Treasurer should I be elected for the next term.

For many years I was the Treasurer for the B.C. Water Polo Association and then for VFAC – the Vancouver Falcons Athletic Club, still the top running club in the lower mainland. I am presently employed in a law firm as a legal assistant and bookkeeper. I am now familiar with Quick Books and have experience with other accounting software. I am also familiar with Societies and the legal requirements of the *Societies Act* and the new Act soon to come into effect.

I am also an active rower. Larry and I attend many of the BLRC workouts and as you know volunteer with the club especially in the areas of course maintenance.

I look forward to making my position as interim Treasurer a permanent one!
